Nicole Chambers

Sr. Director, Corporate Services AmerisourceBergen

Nicole Chambers is a Corporate Account Director with AmerisourceBergen Specialty GPOs. In this role, Nicole is the main liaison to all precision medicine diagnostic partners as well as our service partners. She assists in the management of the Precision Medicine Working Groups to update testing recommendations for the membership and develop education opportunities as it relates to precision medicine. Nicole also works with our Innovation Team on initiatives for patient engagement/medication adherence and remote patient monitoring. She works with Genentech's biomarker testing team to identify operational gaps in testing and increase testing for all applicable patients. Previously, Nicole worked for IntrinsiQ Specialty Solutions as Senior Director, Analytical Sales. She started with IntrinsiQ at its inception in 2003 where she was responsible for productizing and selling clinical usage data to pharmaceutical companies. Nicole managed the informatics sales team who are responsible for working with pharmaceutical manufacturers to fulfill their data needs. She holds a Bachelor of Science in Business Administration from the College of Charleston and a Master of Business Administration from Monmouth University, where she was an adjunct business professor for five years.

Randy Bake

Senior Director of Product Strategy, PatientPoint

Randy Bake, Sr. Product Strategist, PatientPoint. In this role, Randy leads the Provider Platforms team and the strategic deployment of all HCP-facing technologies. Randy has 25 years' experience in Product Development, Business Process Optimization, Information Technology, and Marketing. Prior to joining PatientPoint in 2020, Randy led the product team with a Fortune 500 healthcare organization and is the recipient of 2 Addy Awards (American Advertising Federation).

Rob Farley

RxVantage

Rob is the Director of Oncology at RxVantage. He joined them in December 2020. He manages partnerships and a team of dedicated Key Account Managers. He has held various leadership roles in and out of industry. Prior to joining RxVantage, Rob spent over ten years at AB, both with ION and Oncology Supply. Having spent more than 25 years in community oncology, he is steadfast in his support and belief in its mission.
